

Game instruction:

You make your predictions in Scorito. We play in a closed group where you can only participate via the following link:

<https://www.scorito.com/subleague/365971/ek-voetbal-2020/koers/600d4b75-7eac-476f-91a8-e9c0d928cb96>

Actions to do as a participant for the two phases of the poule:

Prediction phase 1:

- You predict the results of the 36 group matches
- You determine with your predictions who will be first and second in your group
- You choose 4 top scorers for the group stage
- You predict who will become European Champion

Prediction phase 2:

- You predict the results of the matches per round in the knockout phase
- You choose 4 top scorers per round in the knockout phase

The deadlines for the different phases are:

Group stage: Friday 11th of June, 21.00 (start of first group match)

1/8 finals: Saturday 26th of June, 18.00

Quarter-finals: Friday 2th of July, 18.00

Semi-finals: Tuesday 6th of July, 21.00

Final: Sunday 11th of July, 21.00

If you have any questions about the event, the Scorito system, or do you want to have some advice for you predictions, you can ask our committee chairman Mr. Hidde van Wezel (@: EKOers@koerstue.nl).

Good luck and see you there!
